

Alliance Civic Trust Scholarship 2025

For Students Planning Horticulture and Exterior Design-related majors

Two scholarships of \$500 each will be awarded—one to a senior who has graduated from **Alliance High School**, and one to a **Marlington High School** graduate. All AHS and MHS graduating seniors who plan to study in fields related to the enhancement and beautification of our surroundings such as Horticulture, Landscape Architecture, Plant Science, Agronomy, Viticulture, Arboriculture, Nursery Management, Environmental Science, Botany, Architecture, Civil Engineering, Urban Design/Planning, Environmental Design, and related subjects are eligible.

Students do not have to enroll in the same career field program from which they graduated in high school

APPLICATION

Complete this application, and include an attached one-page (typed, double spaced) answer to the essay topic: My passion and commitment to my choice of major and future career.

Name

Date of Birth
